## What's New This Month?

As we have time to reflect this month, let us both give thanks for how far the Lord has brought the Chapel and pray for His help and grace as we look forward to the fast-approaching summer season. God has blessed us with so much and He promises that as we work unto Him, He will guide our labors and reward us with much fruit. So let us labor for our Lord and Savior and encourage each other as we all seek to build up His Church!

**Website:** We have been updating our website for this summer and the schedule should be up on the calendar page soon. Thank you to all who are working on the updates.

### Staff Updates

- **Prayer:** Please uphold our staff in prayer as they prepare for the summer. Especially remember them as they seek to come spiritually, physically, mentally, and financially ready for the work that is to be done this summer. Pray that leaders and volunteers alike would be equipped to serve one another and minister to the lost with the grace and love of Jesus.
- **Remaining Openings:** Are you a young man skilled in music, especially the guitar/drums? We have a spot open for you! Do you want to serve this summer but can only make it for a few weeks or less? We have room openings starting in the middle of August! Please contact us today about the application process.

### Upcoming Ministry Opportunities

- **Work Weekends in May:** Our Maintenance Coordinator Rich plans to have the buildings open sometime this month, depending on how the temperatures are as we approach our work season. Consider signing up for a weekend or more in May to help us with early projects before the season officially begins! The to-do list includes the following: cleaning, organizing, moving furniture, building bunkbeds, repairing trim and sheet rock, painting, and electrical work.
- **Youth Group Getaways in September:** The 3<sup>rd</sup> and 5<sup>th</sup> weekends of September are still open for youth groups who want to visit us and enjoy time for fun, fellowship, and concerts. Let us know if your church team would like to be added to the calendar!
- **Ministry Weeks in 2017:** New or returning churches are welcome to explore committing for a week of ministry in the summer of 2017. Please check out our website or contact us for more information soon.
- **Summer Needs:** Are there any ways that you can think about blessing the Chapel staff and visiting churches this year? Each summer, we are grateful for practical gifts, from gift cards for groceries and paper supplies to helping with an individual or group's financial support. Feel free to check out our online wish-list, too!
