Plans and Updates for 2016

Summer Staff

- **Coordinators:** The Director is working on setting up his team of leaders for the summer. Please pray that the Lord would grant him wisdom as he discusses possibilities with various individuals and makes decisions for the upcoming season of ministry.
- **Volunteers:** We have already received many new applications for volunteer staff and have begun the process of organizing the approved young people into teams. Praise the Lord for His provision thus far and please pray that all our returning staff and new applicants will work well together to His glory this summer.
- **Open Positions:** There are a couple more volunteer spots for young men, with a preference given to those who are skilled in the guitar and drums. In addition, since some volunteers leave for work/education in early August, we are offering an end-of-summer volunteer staff position with a discounted program fee to individuals who want the opportunity to serve with us. Please email for details and to apply!

Ministry Opportunities

- **Work Weekends in May:** Our Maintenance Coordinator, Rich, will be looking for assistance this spring after the buildings are opened for the summer. Every year, ministry in the way of addressing planned and unexpected projects needs to happen before the Chapel season officially begins. Please consider signing up to assist us in this vital area of support! Both church groups and individuals are welcome and encouraged to help us this May.
- **Youth Group Getaways in September:** After this year's Labor Day, we are offering a new opportunity to youth groups who have a free weekend during the fall. We already have several concerts lined up for Friday and Saturday evenings in September. Any interested youth group that would like to spend a weekend on the Jersey Shore is invited to contact us about which weekends are available and the concerts that are scheduled thus far. The recommended donation is \$500 for a weekend and apologetics/evangelism training may also be a possibility during that time. It is first come, first serve, so sign up today!
- **Ministry Weeks in 2017:** We are offering the Summer 2017 Schedule to churches who either have not yet had the opportunity to bring a group to the Chapel or have not been to Wildwood in several years. For the future, we hope to schedule church groups on a two-year rotation schedule to give more youth the ability to minister alongside our staff. Check out our website to read about our goals, statement of faith, and evangelistic practices, and email us to tentatively reserve a slot.
