What's New?

- **May 23 Concert:** We were very blessed to have Liam Slack and his group The Very Least open up the season with a Saturday night concert. It was a great evening of worship and fellowship!
- **Evening Programs:** The 71st summer at the Boardwalk Chapel was kicked off on Saturday night, June 13th, with the first program of the season. Week One brought in a full schedule with the visiting group West-Mont Christian Academy led by Elijah Platchek, visiting pastor Jack Brooks and family from Kentucky, and visiting musician Dan Meredith with SDG Music Ministries on Thursday and Friday. Uphold us in prayer as we continue putting on programs now until Labor Day!

May/June Work Projects: The Chapel was blessed with many workers this spring who dedicated their time and resources to help prepare the buildings for the summer.

- The fourth weekend in May, a dedicated group of young people from Trinity Church in Hatboro, PA, led by Wes and Michele Brown came to help at the Dunn House with painting the kitchen and halls, cleaning and scrubbing various rooms, organizing closets, and more.
- Also around that time, the new house parents, Charlie and Elena Farrell from Faith Bible OPC in Brick, NJ, and a former maintenance coordinator, James Hulbert from the RPCNA in NY, assisted with room renovation, spackling and painting, yard work, and other preparation.
- Over the fifth weekend of May, Tom Sills from MD painted part of the upstairs Chapel apartments.
- In early June, Chris and Susan Conrad and some friends from Emmanuel Church in Wilmington, DE, came for a few days to help at the Chapel with drama props, cleaning, and more. The church also donated a huge amount of canned goods, baking supplies, paper products, and cleaning supplies for the staff!

We are grateful to everyone for all of the time and effort they put into serving all of us at the Boardwalk Chapel so that we can serve in the Lord's name more effectively!

- **Special Renovations:** In addition to all of the work put in at the Chapel and the Dunn House, the staff was also blessed with a special donation for their living quarters, which went toward new appliances. Everyone is happy to be sharing two new refrigerators and two new ovens. A friend of one of the staff in NJ also donated his time to come and install a brand new front door upstairs in the Dunn House. In addition to all of that excitement, a new clothing washer was installed, though it was not a planned change but out of necessity due to last year's model not making it successfully through the winter. Take a look on Facebook for pictures of how everything has come together in the buildings!
- **Staff Activities:** Coordinators and volunteer staff arrived the last week of May into early June. After a week of moving in, getting settled, and beginning preparation for the programs, the coordinators organized a Saturday afternoon cookout at the Cape May Park to assist with the orientation process. Staff enjoyed a time of fellowship and worship with one another, the new house parents, and local youth and church families.

- **Training Week:** The highlight of the training week this year was a visit from Dr. Henry Krabbendam from Covenant College, an evangelist who ministers in Uganda. “Dr. K,” as he is affectionately known to many, presented his School of Evangelism to the staff and interested visitors from local churches the first week and then followed up with a more detailed teaching for the evangelism team and visiting youth from West-Mont Christian Academy. In addition to all of that excitement, the Director gave his regular apologetics seminars on the Apostles’ Creed, and will continue presenting information on worldviews throughout the summer.
- **Ongoing Work:** Maintenance Coordinator Rich Seither has been working on a variety of smaller projects now that the buildings are regularly occupied. In addition to dealing with various regular repairs, he also directed volunteers from West-Mont to build sturdier bunk beds for the Chapel and Dunn House.
- **Future Staff Housing:** While the Dunn House is looking better than ever before, the Director and Chapel Committee are continuing to look into other options for housing, particularly when considering the desire to expand the ministry in any way possible. Over the summer, several individuals will be exploring possibilities and checking out some various local properties for sale.

Are you able to help?

And Jesus came and spoke to them, saying, “All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.” Amen. (Matthew 28:18-20)
