## VOLUNTEER STAFF RECOMMENDATION LETTER

Dear Pastor and Church Leaders,

Each summer, we employ the help of volunteer staff to assist with the ministry of the Boardwalk Chapel in the areas of evangelism, music, drama, domestic operations, and support. Under ordinary circumstances, we do not accept anyone to serve on staff without a formal recommendation by the ordained leadership of the church in which he or she is a member in order to provide for accountability.

\_\_\_\_\_ is requesting that you recommend them to serve as a volunteer staff member at the Boardwalk Chapel for this upcoming summer. Do you believe the following to be true about the applicant?

1. The applicant is born again and has a credible profession of faith.
2. The applicant is a communicant member in good standing and regular attendance at your church.
3. The applicant clearly possesses a teachable heart.
4. The applicant regularly demonstrates a willingness and the humility to submit to lawful authority as unto the Lord.
5. The applicant is a good witness of the Christian faith, both to fellow believers and also toward nonbelievers.
6. The applicant regularly serves alongside other believers in daily work and fellowship as a team player.
7. The applicant possesses the maturity to live in community with and minister alongside members of the opposite gender, especially by respecting the personal privacy of each brother or sister and by upholding community standards as laid out by the leadership.

Do you as a body of church leaders officially recommend that the applicant serve on staff at the Boardwalk Chapel? If yes, please email us a copy of your motion as recorded in your meeting minutes with any notes or explanations for the points above. If approved to serve on staff, we ask that you stand with the applicant in prayer and by financial support throughout the season.

If you do not recommend the applicant to serve on staff, please advise us of your reservations. If you need more information about the Chapel ministry before you can recommend the applicant in good conscience, we would be happy to provide more details about the work.

Thank you for your help in this matter and may the Lord's grace and peace be with you.

Sincerely in the Lord,
