

# The Boardwalk Chapel: Praise and Prayer Bulletin

Continue steadfastly in prayer, being watchful in it with thanksgiving. At the same time, pray also for us, that God may open to us a door for the Word, to declare the mystery of Christ...Walk in wisdom toward outsiders, making the best use of the time. Let your speech always be gracious, seasoned with salt, so that you may know how you ought to answer each person.

(Colossians 4)

## Happy Fall from the Boardwalk Chapel!

The end of the ministry season has come to a close and we are looking forward to what the Lord has for the end of the year preparations and beyond to Summer 2018! Thank you for joining with us this year in prayer and support and continue to think of us as we seek to use the gifts God has given us to faithfully proclaim the gospel of Jesus Christ in order to build up His Church and bring glory to our great God.

### Praise the Lord!

In preparing to write this bulletin, I looked over the 2017 calendar to figure out how many Christians came to minister at the Chapel this spring and summer—year-round staff, work groups, church teams, summer staff, guest musicians, trainers, seminary students, family and friends of staff who came to help out, and more. My rough calculation came to 365, but regardless of the exact number, it made me remember how graciously the Lord has provided workers for us this past season to go out into the harvest, and indeed every single day of the year for the past 73 summers. Especially in the last few years, the Lord has been leading Christians with many different talents from various backgrounds and denominations to help us grow and improve, and we are thankful for every single one of these saints.

### Areas for Prayer

This fall, please pray for Pastor Jim, Rich, and the Committee as they consider improvement options for next summer and seek to wisely use the financial resources the Lord has given us. Please pray for me in taking care of the administrative details year-round while balancing other family, work, and ministry responsibilities in New York. Please pray for the 365 people who were at the Chapel this past summer, especially that they would remain faithful to the Lord and continue to carry out His mission in their own communities and congregations! Please pray for all those who heard and received the gospel this summer, that their hearts would daily be turned to the Lord in repentance and that they would remain faithful to Him. Finally, please pray for needs of next year and consider assisting where you are able.

### Wish List

**Maintenance Team:** Home Depot cards for tools and supplies.

**Evangelism Team:** A world map to hang up in the Chapel so we can put pins in all the countries we make friends with during the summer.

**Music Team:** Guitar and violin strings, a synth, and donations for sheet music.

**Drama Team** (Coordinator Teri Smith): "If you have ever participated in drama at the Chapel, either as a member of the audience or as an actor on stage, you know what an incredible evangelistic opportunity God has given us to draw people in off the boardwalk and learn about the gospel through skits. You also may have noticed that microphones sometimes make acting a little awkward and get in the way of the quality of our dramatic presentations. We are learning that having headset microphones would greatly help our staff and stage volunteers, but these sets tend to be pricy. This past summer, we even tried to create our own headset mic at one point because we needed one so badly! Can you help us address this need? We are looking for donations toward this special equipment as we keep an eye out for end-of-the-year sales. We would greatly appreciate your help!"
